COVID Testing

- Baseline Test
 - District Employee – PCR test
 - Students – PCR or Antigen Rapid Test
- Weekly Testing (January)
 - Both Vaccinated and unvaccinated
 - The week of 1/10: Special Schedule
 - **Tuesday 1/11**
 - We will follow the same testing schedule
- Students and Staff who tested positive on/after October 20th
 - No baseline test needed
 - No test for 90 days

While at school...

- WEAR YOUR MASK AT ALL TIMES.
- KEEP SOCIAL DISTANCE.
- FREQUENT HAND WASHING.

Mask Requirement

SURGICAL-STYLE DISPOSABLE MASK

Surgical-style disposable mask that has multiple layers of non-woven material and a nose wire. Double-masking is recommended with a surgical-style mask. Wear a surgical-style mask with a cloth mask over it to improve fit and filtration.

N95 RESPIRATOR

Regulated by U.S. agencies. Has a minimum filtration efficiency of 95%. Details provided in [Voluntary Use of N95 Respirators by Employees](#).

KN95 RESPIRATOR

Not regulated by U.S. agencies. It is recommended to wear one that has been assessed by the [National Personal Protective Technology Laboratory](#) and found to have a minimum filtration efficiency of 95% or higher.

COVID-19 PREVENTATIVE MEASURES

Clean Your Hands Often

Washing your hands is one of the most effective ways to prevent the spread of **COVID-19**

1

Wet your hands with clean, running water

2

Apply soap

3

Lather and scrub hands for at least 20 seconds

4

Rinse your hands well under clean, running water

5

Dry your hands using a clean towel

WHEN TO WASH HANDS:

- Arriving and leaving home or school
- After playing outside
- After having close contact with others
- After using shared surfaces or items
- Before and after using restroom
- After blowing nose, coughing, and sneezing
- Before and after eating and preparing foods

HAND SANITIZER

If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol, covering all surfaces of your hands and rubbing them together until they feel dry.

JANUARY 2022

Los Angeles Unified's Isolation Protocols for Students and Employees

<p>I Have Symptoms of COVID-19 (See symptom list below)</p>	<p>Stay Home Until:</p> <ul style="list-style-type: none">You take a COVID-19 PCR testYou can find symptomatic testing sites at achieve.lausd.net/covidtestingapp ORAt least 10 calendar days have passed since your symptoms first started ANDYou have not had a fever for at least 24 hours ANDYour symptoms are improving	<p>If Positive,</p> <ul style="list-style-type: none">Follow the "I'm COVID-19 Positive with symptoms" sectionIsolate at Home 	<p>If Negative,</p> <ul style="list-style-type: none">Stay home until fever free for 24 hours and symptoms have improvedThis applies to everyone regardless of vaccination status
<p>I'm COVID-19 Positive with Symptoms (If the test was administered at a non LA Unified site, or was an at-home rapid self test, upload the results into Daily Pass)</p>	<p>Stay Home Until:</p> <ul style="list-style-type: none">At least 5 days* have passed since your symptoms started ANDYou have a negative COVID-19 rapid antigen test collected on or after day 5 ANDYou have not had a fever for at least 24 hours ANDYour symptoms are improving <p>*Your first day of symptoms is day 0</p>	<p>If Positive After Day 5,</p> <ul style="list-style-type: none">Stay home 10 calendar days after your symptoms started ANDYou have not had a fever for at least 24 hours ANDYour symptoms are improvingYou will not participate in LA Unified's regular PCR testing for 90 days after your initial positive result	<p>Isolation at Home:</p> <p>Wear a well-fitting mask over your nose and mouth when you are around others, indoors and outdoors, for a total of 10 days. This includes around household members.</p> <ul style="list-style-type: none">Adults should wear a well-fitting medical grade mask (surgical or respirator)Children should wear a well-fitting, non-cloth mask with a nose wire <p>See bit.ly/32TcttE for more information</p>

For additional questions, visit achieve.lausd.net/covidfaq or call the Family Helpdesk at (213) 443-1300

Los Angeles Unified will continue to collaborate with our health partners at the county and state levels, as well as our panel of medical experts and university partners. We also continue to review updates to county, state and federal guidance on a daily basis, and we may adjust policies accordingly.

Updated Exposure Policy (published 1/7/2022)

COVID-19 Exposure Management		
Quarantine (Close Contact)		Isolation (Confirmed Positive)
Vaccinated	Unvaccinated	
<p>Asymptomatic: Exempt from Quarantine</p> <p>Need to test (Antigen/PCR) on day 5</p> <p>If the child starts experiencing symptoms, refer to steps for ISOLATION.</p>	<p>Symptomatic: Need to Quarantine. Test on/after Day 5</p> <ul style="list-style-type: none"> Return to school on Day 6 <ul style="list-style-type: none"> Improve symptoms Fever Free without medication for 24 hours Negative Antigen/PCR test <p>* Modified Quarantine</p> <ul style="list-style-type: none"> Must be Asymptomatic Exposure occurs at school Comply with Mask compliant (with a surgical-style mask or higher PPE) during the period of exposure Cannot participate in extracurricular activities, including sports, clubs, Beyond the Bell, and other before and after school care or programming. Must Test Twice Per week <ul style="list-style-type: none"> 1st test: The Day after initial exposure 2nd test: On or after day 5 	<p>Asymptomatic: May qualify to participate in Modified Quarantine*</p> <p>Test on/after Day 5</p> <ul style="list-style-type: none"> Return to school on Day 6 <ul style="list-style-type: none"> Improve symptoms Fever Free without medication for 24 hours Negative Antigen/PCR test <p>No Test</p> <ul style="list-style-type: none"> Complete 10 days quarantine
		<p>Test on/after Day 5</p> <ul style="list-style-type: none"> Return to school on Day 6 <ul style="list-style-type: none"> Improve Symptoms Fever Free without medication for 24 hours Negative Antigen Test <p>Positive Result on/after Day 5</p> <ul style="list-style-type: none"> Complete 10 days Isolation Return on Day 11 <p>No Test</p> <ul style="list-style-type: none"> Complete 10 days Isolation Return to school on Day 11

How to determine the 'days' after exposure

Day 0	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6
The last day of Exposure	Isolation / Quarantine. Continue to monitor symptoms				Eligible to TEST	Eligible to return with a negative test

COVID-19 Symptoms

1. Fever or chills
2. New Cough
3. Difficulty Breathing
4. Fatigue
5. Runny or Stuffy Nose
6. Diarrhea
7. Vomiting
8. Body Aches
9. Headache – especially with a fever
10. Sore Throat
11. New Loss of Taste or

Confirmed Positive Case

Isolation for 5 days

- Test on/after day 5
- Can return on Day 6
 - Improve symptoms
 - Fever Free without medication for 24 hours
 - Negative **antigen** test

- Positive result on/after day 5: complete 10 days isolation
- No test: complete 10 days isolation

Close Contact of a Confirmed Case

Will NOT need to quarantine if:

- **Fully Vaccinated**
 - Also determined by the date for the 2nd dose (2 weeks)
- Asymptomatic
- Test (Antigen / PCR) day 5

If starts experiencing symptoms, refer to steps for ISOLATION.

Close Contact of a Confirmed Case – UNVACCINATED

SYMPTOMATIC

- Need to Quarantine
- Test on/after Day 5
- Return to school on Day 6 if..
 - Improve symptoms
 - Fever Free Without medication for 24 hours
 - Negative Antigen OR PCR test

ASYMPTOMATIC

- Need to Quarantine
- Test on/after Day 5
- Return to school on Day 6 if..
 - Negative Antigen OR PCR test
- May be eligible to participate in Modified Quarantine

No Test: Complete 10 days of quarantine
(We are HIGHLY RECOMMEND EVERYONE to test before returning to school)

Modified Quarantine

- MUST be asymptomatic
- Exposure occur at school
- Individual comply with Mask Compliant (with surgical-style mask or higher PPE) during the period of exposure
- Can NOT participate in extracurricular activities, such as sports, clubs, Beyond the Bell, and other before and after school care or programming.
- Must test TWICE:
 - 1st test: the day after initial exposure
 - 2nd test: on or after Day 5

How to determine the 'days'

Day 0	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6
The last day of exposure					Eligible to Test	Eligible to Return with a negative test
	Quarantine / Isolation. Continue to monitor symptoms.					

Mask Compliant

At Home Rapid Self Test

COVID 19 Symptoms

- Fever or Chills
- New Cough – Not from Asthma/Allergies
- Difficulty Breathing
- Fatigue
- Runny or Stuffy Nose
- Diarrhea
- Vomiting
- Body Aches
- Headache – especially with a fever
- Sore Throat
- New Loss of Taste or Smell

COVID-19 Vaccinations for Children 12 & Up

Vaccinations remain a key element in reducing the impact of COVID-19 on individuals and communities, and will be required for students 12 and older at the start of the Fall 2022 semester.

- Anyone 5 years or older is eligible for the two-dose Pfizer vaccine.
- Booster shots are available for anyone 16 and older, at least six months after their second dose.
- For information on available vaccination sites, please visit lausd.net/covidvaccineappt.
