

COVID-19 Isolation & Quarantine Information for Parents

What do you need to know?!

- If your child tested Positive
- If your child is a Household Close Contact
- If your child is a Close Contact at School

Tested Positive with LAUSD (PCR)

- Isolate for 10 days. Return to school on Day 11.
 - No test needed
 - Improved and/or no more symptoms

OR

- Isolate for 5 days (Shorten Isolation)
 - Take an antigen rapid test on/after day 5
 - Negative and No symptoms: return day 6
 - MUST upload the negative result on Daily Pass in order to be cleared by the CE team.

Tested Positive (Antigen Rapid Test)

- Upload the positive Antigen Rapid Test to Daily Pass
- Take your child to get a PCR test ASAP

District is no longer accepting Positive Antigen Rapid Test. So it's important that you take your child to get a PCR test.

If you choose to test with an non-LAUSD clinic, you will need to upload the test result.

Upload Antigen Rapid Test

NEED to include information in order for the CE team to approve it!

- Student Name
- DOB
- Date of the test

STUDENT NAME

STUDENT BIRTH DATE

Student ID (Optional)

TEST DATE

Result:

iHealth
COVID-19 Test

C T

15 mins

3 Drops

The image shows a photograph of a form and a test strip. The form has four input fields: 'STUDENT NAME', 'STUDENT BIRTH DATE', 'Student ID (Optional)', and 'TEST DATE'. Below these fields is the word 'Result:' written in black ink. Below the text is a photograph of an iHealth COVID-19 Test strip. The strip is white with a red label that says 'iHealth COVID-19 Test'. It has two windows labeled 'C' and 'T'. The 'C' window shows a red line, indicating a positive result. The 'T' window is empty. To the right of the windows, it says '15 mins' and '3 Drops'.

Household Close Contact (unable to isolate)
